District 201V3 Newsletter

Well Lions by the time that you read this, some of you will have attended your first meeting for the year and some will still be waiting.

I will have attended a few zone meetings, one at my own club and will be getting ready to visit Lakes Entrance Lions (again), their official visit at last.

Only a few more to go and I will have finished my visits and be ready to start over and get a chance to look at some of the projects that you told me about.

There have been a few things that I forgot to do in the last newsletter. Firstly, I would like to wish Norma Barnard all the best in her run up to stand for International Director at the Echuca Convention, it's been a while since we had an ID from V3, so congratulations Norma all the best, and Peter McShane, no he's not standing for office of any sort but without him the District and the DG would be in all sorts of trouble. Peter is the driving force between the DG and the clubs, the first point of contact you could say. Thankyou Cab Sec Peter. Geoff Neal Treasurer, well you all know what the Treasurer does. Ron Payne C&BL, well before I gave Ron a job on

my Cabinet I used to argue with my wife occasionally but now that Ron's on Cabinet I have him to argue with and my wife now actually smiles when I come home,

About this time you are asking didn't anything happen last month and I have to report gladly not much. The great sunburnt land we all call home has had its share of disaster but luckily not on our doorstep, well not at the time of typing this. South and Western Australia have certainly had more than their share, but talking to the DG's from those states while in Sydney in January, they are just managing to hold it together. In some parts and in others as we all know from the news there isn't much left to hold together, so make your donations to the ALF and mark them bushfire relief. May I take this chance to wish each club all the best for the rest of the year, may it be clear sailing and your projects be profitable and keep the new members rolling in please

All The Best
DG Ian

These forms can be downloaded from our V3 Website under "Club Resources". Please note the change of due date (previously 10 April!).

MY THOUGHT FOR THIS EDITION

Sometimes it is better to be thought an idiot than to open your mouth and prove it.

Please contact me by telephone, mail or e-mail if I can assist you in any way at all. I will do my best to assist all of our Lions throughout the coming year.

STOP PRESS from DG Ian

*In a Cab Sec mail out last November each Club was invited to submit the name of their Emergency Response Person complete with contact details to Lion Noel Gregg, the District Humanitarian Disaster Relief Chairman. Some clubs have done this and others have not. This information is vital in the case of a disaster in the V3 Community. It could be a fire, a truck rollover or a disaster of any type where Lions are asked for help. I would be extremely grateful if clubs could pass the information ASAP on to Disaster Chairman Noel Gregg

Thankyou DG Ian

STOP PRESS from Cab Sec Peter

To all District 201V3 Clubs,

I made an error in the Ride for Sight letter sent to all Clubs on 3 December 2015 over DG Ian's signature, when I put the incorrect address for donations to be sent to the Ride Treasurer.

The correct address for these donations is:

Ride Treasurer Colin Matthies, 6 Wellington Street, Trafalgar Vic. 3824

My sincere apologies for the error - I can't even blame somebody else!

Burrumbuttock Hay Run

Lion Wayne Marshall was seen at Ilfracombe Qld participating in the Burrumbuttock Hay Run. Wayne used his own truck loaded with hay from his property to donate to the hundreds of very needy farmers in the Ilfracombe, Longreach area. Great Job Wayne. There were 120 trucks carrying approximately 5,000 bales of hay to Ilfracombe. Check out Burrumbuttock Hay Runners on Facebook.
